FOR IMMEDIATE RELEASE

APPLETON INTERNATIONAL AIRPORT NOW OFFERING PARKMOBILE PARKING APP

APPLETON, Wis., Dec. 13, 2017 - [Appleton International Airport](#) now offers the [Parkmobile](#) app to make parking easier for travelers at the airport.

Parkmobile helps travelers exit the parking lot faster. Travelers can scan their phones at the parking exit to pay for parking. A receipt will automatically be sent to the phones. Parkmobile eliminates lost parking tickets or fumbling with cash and credit cards at the exit lanes during inclement weather.

"We're excited to upgrade our parking payment system with the addition of Parkmobile," said Abe Weber, airport director. "We believe our regular customers will appreciate the ability to quickly scan in and out of our parking lot. We are laser-focused on improving the airport customer experience and Parkmobile is one more innovation to help our customers."

Travelers can download the Parkmobile app on [Apple](#), [Android](#) and [Windows](#) devices. Learn more about Parkmobile at Appleton International Airport at ATWairport.com/Airport-Info/Parkmobile.
